- **Laura Saxe read a letter that she had received from the Graeber family. The letter asked our club to advance Robert Graeber, who is 13 years old, to the Semi-Pro Class. After much discussion the Board voted unanimously that we needed to follow the ISR rules on the age of racers and that we won't be able to let Robert race in the Semi-Pro class.**
- **Joe brought up the topic of Cory Davis being able to race in the Mayors Cup. He is 15 years old. It was discussed and the board voted that he needs to wait until next year when he turns sixteen and then he can petition to be able to ride the Mayors Cup.**
- **On February 28<sup>th</sup> the Club put on 120 and Jr. races at Capt'n Joes. Jim Gifford grilled up hot dogs for everyone and Lori Green helped with registration.**
- **Laura has set up the radio ads for the Mayors Cup and Joe has made sure that it gets into the local paper.**
- **Joe said that he spoke with Dwight at the Elks Lodge and that they won't be able to sponsor T-shirts or trophies this year but maybe they will be able to help out next year.**

- **Laura Saxes will be writing a letter to Mike at Rainbow Services so that he will know when and where the porta-potties will need to be serviced.**

**\*Be sure to thank Mike Williams for all his cooperation at registration and Calcutta, as well as the awards.**
